

On November 10, 2014, the parties filed a stipulation in which they state that a decision should be entered awarding compensation. Respondent denies that the flu vaccination caused petitioner's GBS or any other condition. Id. at ¶ 6. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages on the terms set forth therein.

The parties also stipulate to an award of attorneys' fees and costs in the joint stipulation filed on November 10, 2014. The parties agree to a total award of attorneys' fees and costs in the amount of \$20,000.00. In accordance with General Order #9, petitioner represents that he did not personally incur costs related to this proceeding. Id. at ¶ 8(b). The undersigned finds the stipulation for fees and costs reasonable and adopts it as the decision of the Court.

The parties stipulate that petitioner shall receive the following compensation:

A lump sum of \$80,000.00, in the form of a check payable to petitioner, Billy W. Harden; and

A lump sum of \$19,064.30, in the form of a check jointly payable to petitioner and

**Agency for Health Care Administration
C/O Heather Hall
Xerox Recovery Services
P.O. Box 12188
Tallahassee, FL 32317-2188**

Petitioner agrees to endorse this payment to the Agency for Health Care Administration. Id. at ¶ 8(c). **These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).**

A lump sum of \$20,000.00, in the form of a check jointly payable to petitioner and to petitioner's attorney, Diana L. Seder, of Maglio Christopher & Toale pursuant to 42 U.S.C. § 300 aa-15(e), for attorneys' fees and costs.

Id. at ¶ 8.

The undersigned approves the requested amounts for petitioner's compensation and attorneys' fees and costs. Accordingly, the clerk of the court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties' stipulation.³

IT IS SO ORDERED.

s/ Thomas L. Gowen
Thomas L. Gowen
Special Master

³ Pursuant to Vaccine Rule 11(a), entry of judgment is expedited by the parties' joint filing of notice renouncing the right to seek review.

No. 13-425V

SPECIAL MASTER

THOMAS L. GOWEN

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of an influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a).
2. Petitioner received a flu immunization on May 10, 2012.
3. The vaccine was administered within the United States.
4. Petitioner alleges that he developed Guillain Barré syndrome ("GBS") that was caused-in-fact by his flu vaccination and that he has experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

6. Respondent denies that petitioner's GBS, or any other condition, was caused-in-fact by a flu vaccination.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$80,000.00 in the form of a check payable to petitioner;
- b. A lump sum of \$20,000.00 in the form of a check payable to petitioner and petitioner's attorney, Diana L. Seder, of the Maglio, Christopher, & Toale P.A., law firm for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition; and
- c. A lump sum of \$19,064.30 in the form of a check payable jointly to petitioner and:

Agency for Health Care Administration
C/O Heather Hall
Xerox Recovery Services
P.O. Box 12188
Tallahassee, FL 32317-2188

Petitioner agrees to endorse this payment to the Agency for Health Care Administration. These amounts represent compensation for all damages that would be available under 42 U.S.C § 300aa-15(a).

9. Petitioner and his attorney represents that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be

expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation, will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in his individual capacity, and on behalf his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on May 10, 2012, as alleged by petitioner in a petition for vaccine compensation filed on or about June 26, 2013, in the United States Court of Federal Claims as petition No. 13-425V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner's GBS, or any other condition, was caused-in-fact by his flu vaccination.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION
